

◆ A YEAR OF FIGHT ◆

≡ AGAINST POVERTY ≡

In 2018, we improved the lives of almost 1.5 million people thanks to the support of more than 105,000 contributors and 700 companies and public institutions. Today they know that justice, equality and dignity are not empty words.

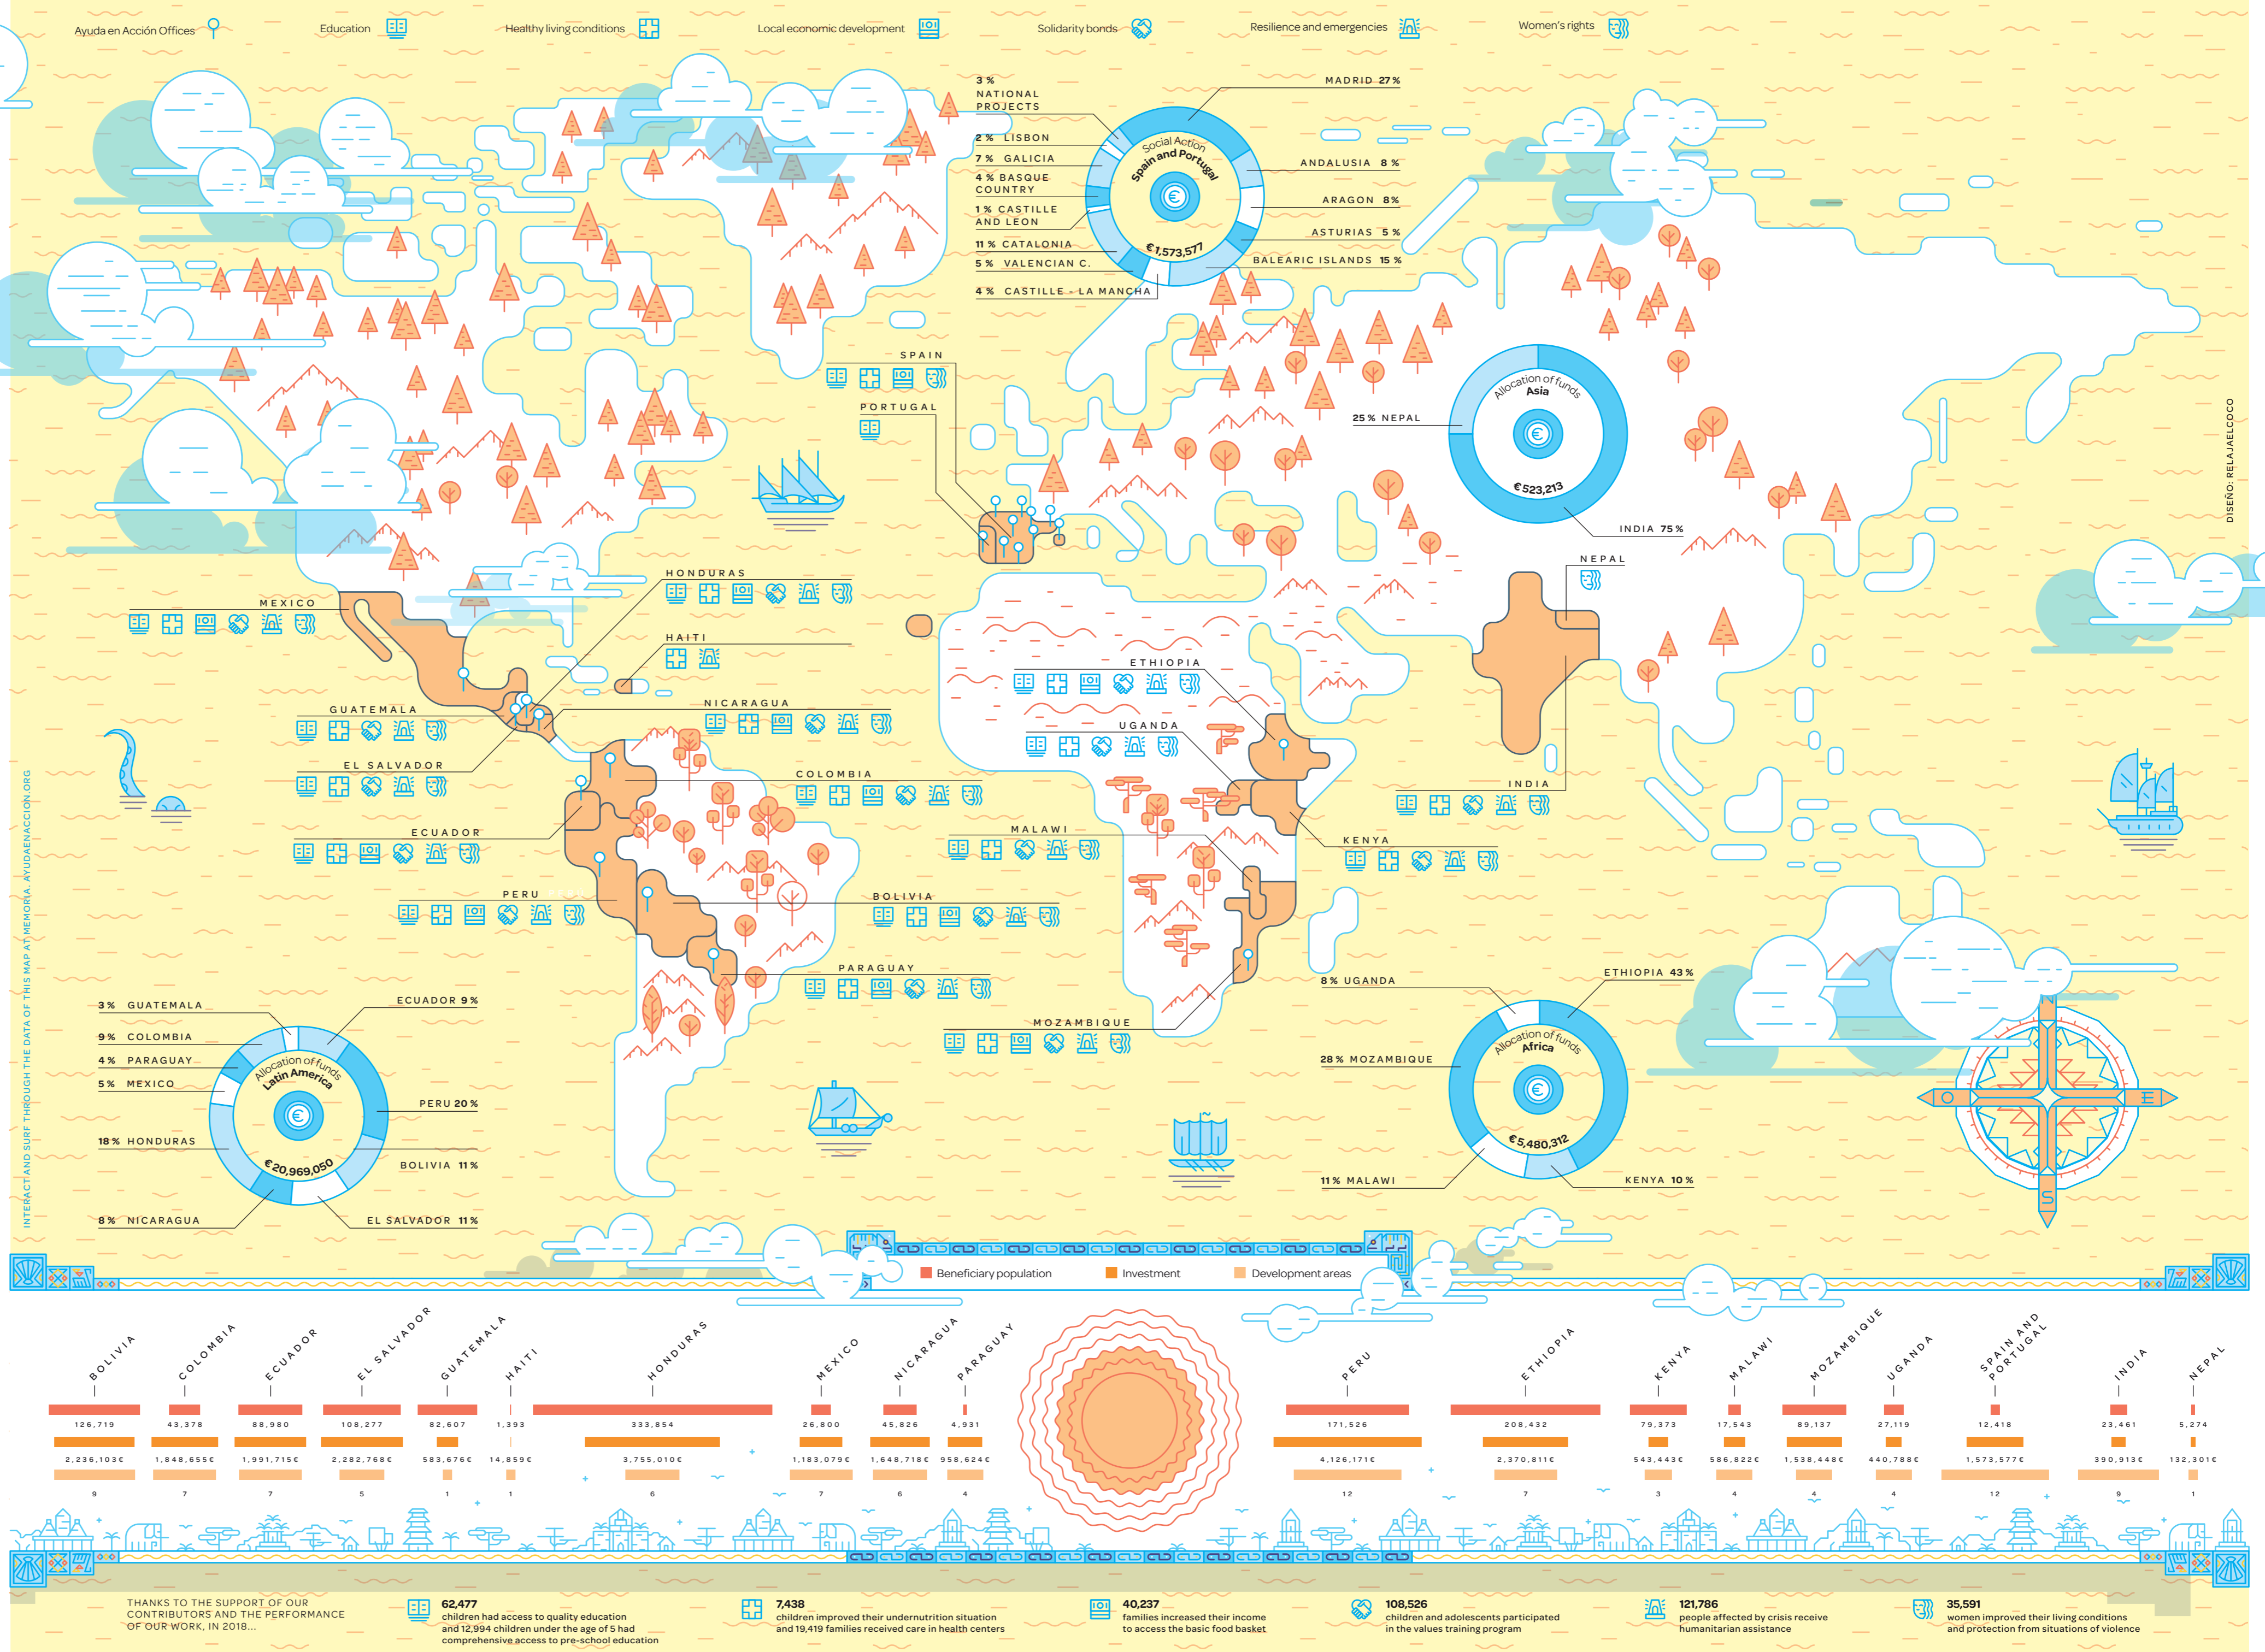

We bid farewell to a cycle full of challenges, progress and lessons learned in 20 countries. We do so by welcoming a new institutional strategy focused on bridging the gaps and inequalities marked by the Agenda 2030 for Sustainable Development. Your help is essential to leave no one behind.
